

Imagine yourself changing the world, a little at a time, a person at a time, by the things you do...

Leave a legacy—teach a child the skills you've learned over a lifetime.

Join the RSVP Children & Youth Team and make a difference in a child's life by working with children and youth in summer and after-school programs. Volunteers needed to assist teachers with the Gateway Middle School and Hampshire Educational Collaborative summer programs. Work with students age 10-12 on Outdoor Adventure and Connecticut Watershed projects. Flexible scheduling possible; full-time commitment not required.

Call RSVP at (413) 584-1300 x183 or email psicard@hampshirecog.org for more information.

RSVP of Hampshire & Franklin Counties is a national community service program for people 55+. We mobilize older adults to meet compelling community needs by recruiting, placing and supporting volunteers in a diverse array of service opportunities at local nonprofit and public agencies. We match people with experience and skills to offer with organizations that need their help.
